

Allocation of Club London Marathon Places

All BRTC members will be entitled to one entry in the draw for club allocated London Marathon places provided that;

- They have entered the London Marathon for the year specific to the allocated entries and have received an official rejection notification from the London Marathon organisers.
- They were fully paid up first claim members of BRTC at the date they applied for entry into the London Marathon.
- They have not run the London Marathon via any entry method (main ballot, club ballot, good for age, charity etc) in the last five years, including deferred places. For example if you ran the London Marathon in 2022, 23, 24, 25 or 26 you can't enter the club draw for the 2027 race. This rule comes into affect for the 2027 race (drawn in 2026) and replaces the rule that members who are successful in the club draw, and take part in the event, cannot enter the club draw for two successive years.
- To enter the draw the member must give their official rejection notice (email) to the person organising the club draw which will be advertised in advance.
- You do not need to be present at the draw to have your name in the hat.
